Mercy Health/Love County Hospital, Clinic and EMS proudly offers:

## **TRAINING FOR THE PUBLIC IN RESPONSE TO CARDIAC ARREST**

Victims of sudden cardiac arrest have only minutes to live unless someone helps restart their breathing (gives CPR) and heartbeat (uses an AED device) and summons an ambulance for higher-level care.

Members of the public are invited to train with us to learn how to do CPR, use an AED, and render first aid to adults and children. Contact Natasha West, EMS Training Coordinator, at (580) 276-3347.
