Vaccine now available to all Oklahoma adults

IT IS FREE - REGISTER ONLINE FOR AN APPOINTMENT

1. Open the Oklahoma vaccine registry, www.vaccinate.oklahoma.gov.
2. Answer the registration questionnaire, then log off.
3. Wait for a Health Department email within 24 hours confirming registration.
4. Watch for a future email from the Health Department with a link to booking an appointment.
5. Appointments are snapped up in a hurry. Keep returning to the email link until successful at setting an appointment.
6. All Oklahoma adults, age 18 and older are eligible to be vaccinated!

SIGN UP FOR TEXT OR EMAIL ALERTS AT WWW.VACCINE-ALERTS.COM

1. An Oklahoma City man created a website that can notify people when appointments are available. Read about it at www.vaccine-alerts.com.
2. The site is handy to use after you've signed up at the state registry and received the email linking you to appointments in step 4 above.
3. At www.vaccine-alerts.com, you put in your cellphone number or email address. You will be alerted when the Health Department posts a batch of available appointments.
4. Then you need to go (quickly) online to your email link to book an appointment.
