# Routine Care & Coronavirus Care - We Care! We're Here!

## ROUTINE CARE

Except for initial screening, all departments of the hospital and clinic are operating normally. See us by appointment or by dropping in. The food pantry and Legacy Park also are open.

## COVID-19 CARE

• **Call ahead:** Before seeking care, call your clinic provider at (580) 276-2400 or the hospital (580) 276-3347 and tell us you have or suspect COVID-19.

• **Wear a facemask when sick:** Put on a facemask before you enter the facility. This step will help us keep other people in the waiting room from getting infected or exposed.
